Comfort Footwear With REAL Style

Hundreds of women are wear-
ing Rich's comfort shoes, and enthu-
siastically recommend them to their friends.

But, no doubt due to the fact that we have never
advertised them, there are hundreds of others who
are not aware that it is possible to buy here preventive
and corrective footwear with lines of real style.
That is the purpose of this announcement and
others which will follow—to let it be known that we
have footwear here made expressly for foot com-
fort and strength, without the sacrifice of fashion-
able lines.
